Introduction: A Partnership in Premium Coffee

SAMIRA MAATOUK

GROUP

About SMG

IT ALL STARTED IN 1949

A LEGACY OF COFFEE EXCELLENCE

Welcome to the world of Samira Maatouk Group, a renowned coffee brand that combines generations of artisanal expertise with a modern approach to coffee culture.

OUR VISION

At Samira Maatouk Group, our vision is to craft the highest quality coffee through exceptional bean sourcing and perfected roasting, elevating coffee into an artful, communal experience, and sharing this passion globally to become a brand synonymous with excellence and innovation in the coffee industry.

SAMIRA MAATOUK

GROUP

OUR JOURNEY THROUGH THE YEARS

About SMG

• 1949

Mr. M. Maatouk, a pioneering coffee enthusiast, founded Maatouk Maison du Café in Azarieh, downtown Beirut, specializing in freshly roasted premium coffee with uniquely distinguished blends.

• 1960

The coffee house gained recognition, leading Mr. M. Maatouk to expand into a restaurant, pastry shop, and sweet shop to complement Maison du Café.

• 1980

The business moved to the United Kingdom, where Mr. M. Maatouk established the first Lebanese coffee factory in Hayes, Middlesex.

• 1985

The family re-established their coffee factory in Lebanon, continuing their legacy.

• 1987

The Maatouk family relocated to Düsseldorf, Germany, further growing their coffee empire.

• 1995

The Maatouk family returned to Lebanon, fully reviving their brand. Mrs. Samira Maatouk, daughter of Mr. M. Maatouk, expanded operations into Abu Dhabi, UAE, opening a branch of Maatouk Maison du Café.

• 1996

After the passing of Mr. M. Maatouk, Mrs. Samira Maatouk expanded the business, establishing state-of-the-art production facilities in Bechamoun, Lebanon, and Abu Dhabi, UAE.

• 2009

To meet increasing coffee demand, the first fully automated roasting and manufacturing plant was built in Abu Dhabi—the first of its kind in the region.

• 2012

Launched the first coffee shop in Al Ain, UAE, expanding retail presence.

• 2017

Introduced the first Fresh Coffee Island in Abu Dhabi, followed by eight more kiosks that year.

• 2019

With nearly 30 branches in three years, the second fully automated manufacturing plant was established in Abu Dhabi, ensuring capacity to meet growing market demands.

• 2020

Despite global challenges, the brand opened its iconic coffee boutique in The Galleria Mall, along with nine more kiosks, strengthening its market position.

• 2021

Rapid expansion led to 45 Fresh Coffee Islands across five countries, the launch of five coffee boutiques, and the first franchise in Egypt.

• 2023

Continued global expansion, opening more branches internationally.

• 2025

Committed to entering new markets like Morocco, UK and the U.S., further solidifying its global presence.
